RENAULT TRAFIC

it can handle anything

A dynamic and rugged profile, a whole new interior design, and powerful new flexible and efficient Turbo diesel engine and equipment to offer you ever enhanced efficiency: the new Trafic is innovating at every level.

The new Trafic van has been specifically designed to meet the needs of professionals, whatever their business environment.

optimal loading space

With its record loading length of 4.15 m(l) using the ingenious trap door under the passenger bench seat and its 2.5-tonne towing capacity, nothing stops new Renault Trafic.

Boasting a loading volume of up to 8.9 m³, new Renault Trafic has plenty of space for everything you need: tools, supplies, bulky items, rubble, and more including storage under the bench seat.

The loading area includes up to 18 anchoring points.

Features and images may vary and be optional depending on model, and are subject to change without notice.

take your office with you

Fitted with its state of the art mobile office, new Renault Traffic can cater to your every requirement: its wide central seat folds down so you can put a tablet, computer on it, or even its integrated A4 document holder. Comfort is guaranteed with its lumbar-adjustable driver's seat and best storage volume for a vehicle in its category: 88.3 litres. With cabin generous storage in the doors, a tray beneath the bench seat and wide cup holders.

A fully-fledged mobile office: back of the central folding seat designed to hold your folders or laptop.

Features and images may vary and be optional depending on model, and are subject to change without notice.

stay connected

Enter your new workspace. Spacious and comfortable with up to three proper front seats, Traffic allows you to operate in optimal conditions: ergonomic driver seat, height and depth adjustable steering wheel and regulated air-conditioning.

Stay connected with the R&Go infotainment system with Bluetooth connectivity, USB Port & AUX port.

Renault Traffic is your partner for efficiency.

Features and images may vary and be optional depending on model, and are subject to change without notice.

designed to make your life easier

Dynamic and elegant, the exterior design of new Renault Trafic is functional above all else. The 100% LED C-shaped headlamps of its new brand light illuminate the road ahead perfectly at night. Its new power adjustable door mirrors with signal repeaters make your manoeuvres completely safe.

Its right angles optimise loading make it more practical, and its configuration more straightforward.

driving assistance systems

Make your job easier and work in complete safety thanks to new Renault Trafic.

At the wheel, useful and ingenious driving assistance systems facilitate your journeys and make them safer.

1. C-signature DRLs and LED headlamps

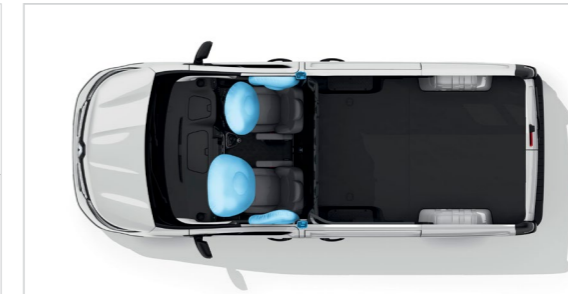

2. Sliding door on left side

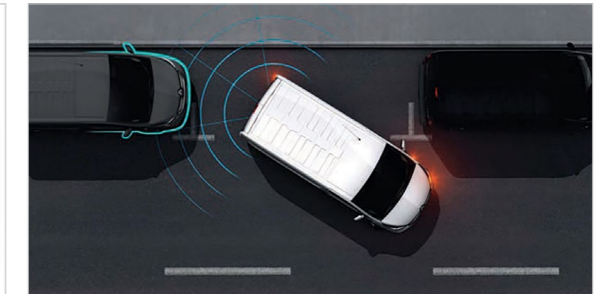

3. 90° plus 180° door opening

4. Hill Start Assist (HSA)

5. Driver and passenger airbags

6. Rear Park Distance Control (PDC)

7. Cruise control

8. Work station centre seat

9. Electronic Stability Programme (ESP)

Renault Care

we strive to provide you with the highest level of after sales service so you can continue to enjoy your Renault ownership journey

5 Year / 150 000km Warranty peace-of-mind comes standard

The Renault Warranty comes standard with every new vehicle, covering the costs of repair of any unexpected electronic or mechanical malfunctions, for a period of up to 5 years or 150 000km, whichever comes first.

Refer to the warranty booklet

Service / Maintenance Plans standard or tailor-made options are available to suit your needs

A Service Plan is a cost-effective way to cover your Renault's scheduled service programme, giving you full peace of mind for the duration of the Service Plan.

Purchase or upgrade your existing Service Plan to a comprehensive Maintenance Plan that not only covers the cost of your Renault scheduled service programme, but also covers the replacement, maintenance or repair of specific wear-and-tear items*.

The key benefits of a Renault Service Plan or Comprehensive Maintenance Plan are:

- 1. added value**
Service and Maintenance Plans are costed at preferential rates as well as offering protection from inflationary increases for the duration of the plan.
- 2. full peace of mind**
Only genuine parts are used.
- 3. Renault expertise**
Renault qualified technical personnel will attend to your vehicle.
- 4. protect your warranty**
All workmanship and parts warranted by Renault.
- 5. cost of wear & tear items covered** (Maintenance Plan only)
Items covered: Clutch, exhaust, globes & fuses, shock absorbers, drive belts, battery, wiper blades, brakes.

*T's & C's Apply. Warranty does not cover wear and tear items such as shock absorbers, brake pads, clutch, cam belt, etc.
